

Owner-Operator Taxi Licence Reserve Price Investigation: Issues Paper

The *Taxi and Hire Vehicle Industries Act 2008* was recently amended to require the Tasmanian Economic Regulator to set reserve prices for new Owner-Operator Taxi Licences from December 2021 to December 2025.

The Tasmanian Economic Regulator will conduct a public investigation to determine these prices.

The Regulator today published an Issues Paper which sets out the issues he intends to consider and how he will conduct the investigation. The Regulator invites comments and submissions on the Issues Paper, including any additional matters that the Regulator should consider, to be provided by Friday 13 August 2021.
