

I WISH TO THANK FOR YOUR LETTER IN REFERENCE TO A REDUCTION ON THE SUPPLY PRICE OF WATER AND SEWERAGE CHARGES FOR SERVICES

HAVING WRITTEN TO YOUR OFFICE IN AUGUST 2014 REQUESTING SUBSTANTIAL REDUCTIONS IN THE THE OVER ALL COSTS FOR THESE SERVICES

TO BE MADE AVAILABLE TO AGED PENSIONERS AND MANY RETIRED WAR SERVICES PEOPLE TO WHOM WE SHOULD BE GIVEN EVERY CONSIDERATION

WE ALL KNOW THAT WE ARE EXPERIENCING DIFFICULT TIMES AT THE MOMENT HOWEVER THIS IS NOT THE FAULT OF THE PEOPLE THAT PAY ALL COSTS INVOLVED

HAVING LIVED IN THE GLENORCHY AREA FOR OVER 80YRS I HAVE SEEN SOME WONDERFULL PROGRESS MADE BY BUISNESS PEOPLE THAT NEW WHAT required

TO MAKE A SUCCESS FOR THE BENEFIT OF THE PUBLIC AND PROVIDE ALL WHAT WE ENJOY TODAY HOWEVER OVER RECENT TIMES THE TAX PAYER OF THE PAST

THAT WAS OF A COMFORTABLE LIFE STYLE IS NOW WONDERING HOW WE CAN FIND THE HIGH COSTS AND MOSTLY CREATED BY THE GOVERNMENT OF THE DAY

ERESPECTIVE AS TO HOW THE TAX PAYER can exist with the continued increases with gov charges this is not the time to

neglect those who made this country what it is today much consideration must be fOrth coming if we are to enjoy

the future as we used to have and worked for what we have today and give our country and people some hope

thanking you for your notice on the reductions on government expences on the subjects refered to

G.Hurd
