Dear Mr Appleyard

TasWater's Submission – Proposed Amendments to the Tasmanian Water and Sewerage Industry Performance and Reporting Guideline

Thank you for the opportunity to comment on the proposed amendments to the Performance and Reporting Guidelines.

TasWater wishes to make the following comment.

We note that the Guidelines propose no changes to the frequency of reporting requirements despite the amendments to the *Economic Regulator Act 2009* (Tas) earlier this year which removed the requirement for the Regulator to complete a State of the Industry Report annually. TasWater would support the alignment of the reporting cycle of the State of the Industry Report with the Price and Service Plan.

If you require any further information please do not hesitate to contact Alyson Ainscough, Department Manager Compliance & Governance by email at alyson.ainscough@taswater.com.au or by telephone on (03) 6237 8861.

Yours sincerely
